To whom it may concern:

Fibreflex Packing & Mfg. has been the exclusive supplier of vegetable fibre gasket material to Texas Gasket & Packing for over 40 years.

We are satisfied with the quality of their product meeting all ASTM specifications & shipping in a timely manner. You will find their pricing competitive as well. We can always count on Fibreflex Packing & Mfg.

We strongly recommend their products and services to other companies which may require this type of products.

Best regards,

Terry Hill
